

FEMA REGION 10 TRAINING OPPORTUNITY

FEMA

Course: L0273

Managing Floodplain Development through the National Flood Insurance Program (NFIP)

Date:

May 5 - 8, 2025

Location:

William Jack Hernandez Sport Fish Hatchery
2nd Floor Conference Rm
941 North Reeve Blvd.
Anchorage, Alaska 99501

Course Description:

Hosted by FEMA Region 10 & Alaska Division of Community & Regional Affairs (DCRA), this 4-day course is designed for local officials responsible for administering the local floodplain management ordinance. The course reviews the National Flood Insurance Program (NFIP) and concepts of floodplain management, maps and studies, ordinances administration, and the relationship between floodplain management and flood insurance with an Alaska focus.

Target Audience:

Local officials responsible for administering local floodplain management ordinances, including floodplain management administration, building inspectors, code enforcement/zoning officers, planners, city/county managers, attorneys, engineers, and public work officials.

The course is designed for those officials with less than five years of floodplain management experience.

To Apply:

Contact Course Coordinator the enrollment confirmations will be sent approximately 30-days prior to the course via email.

Course Coordinator:

Harmony Curtis, CFM
