88 Agenda Item 4 - Investigative Report - Investigator Howes 89 90 Investigator Howes presented the Investigative Report for the period of February 91 15, 2017 through April 14, 2017. Including cases, complaints, and intake matters, 92 since the last report, the Division opened eight (8) files and closed nine (9) 93 Pharmacy Board matters. A total of Eighteen (18) matters remain on-going and 94 under active investigation or are pending litigation. 95 96 Investigator Howes advised the Board there were two cases to be discussed in 97 executive session and he had an update on a Board request to be discussed as well. 98 99 On a motion duly made by Mr. Holt, seconded by Ms. Bell and approved 100 unanimously, it was 101 102 RESOLVED to go into executive session in accordance with AS44.62. 103 301(c), for purposes of discussing investigative matters. 104 105 Case No. 2016-001037 106 Case No. 2016-001006 107 108 Board staff to remain. 109 110 Off the record at 9:31 a.m. 111 On the record at 10:14 a.m. 112 113 9:41 a.m. Ms. Gruening joined the meeting while the Board was in executive session. 114 115 Due to the short time left until the budget review the Board decided to stay on track 116 and will vote on the cases discussed after the review. 117 118 Agenda Item 5 - Budget Review 119 120 Sara Chambers, Deputy Director for the division reviewed the Revenue & Expenditures reports for: FY 17 1st - 3rd Quarters. There were no fiscal questions 121 122 from the Board. 123 124 Ms. Chambers provided a brief legislative update to the Board regarding key bills of 125 interest relating to pharmacy. 126

DRAFT Alaska Board of Pharmacy Minutes of Meeting May 4-5, 2017 Page 4 of 18

- The House is holding quite a few senate bills in House rules and not hearing them. 129
- 130 The Senate is refusing to hear bills on most topics other than the list that Senate
- 131 President Kelly has provided.

132

- 133 The opioid issues are one of the topics that the senate president would like the
- 134 senate to hear testimony on. There is optimism that HB159 will move out of house
- 135 finance next week and go over to the senate side. This is the Governor's bill on
- opioids that the pharmacy industry and both Leif Holm and Rich Holt have provided 136
- 137 feedback on.

138

- 139 There have been amendments made to this bill in response to feedback received
- 140 from the Board, the Alaska Pharmacist Association, ASHNA, and others, and is
- 141 getting a lot of support. This bill has been amended to take in to consideration some
- 142 of the concerns raised. Of the two opioid bills from the Governor it is anticipated
- 143 that HB159 would be the bill out of the two governor's opioid bills that would move
- 144 forward for the rest of this session.

145

- **SB32** "An Act relating to biological products; relating to the practice of pharmacy; 146 147
 - relating to the Board of Pharmacy; and providing for an effective date."

148 149

Director Hovenden attended a hearing on May 3rd in House Finance and it was heard

150 and held. This would be its last stop before the House floor.

151

- 152 SB37/HB9 - "An Act relating to the Board of Pharmacy; relating to licensing and
- 153 inspection of certain facilities located outside the state; relating to drug supply chain
- 154 security; and creating a position of executive administrator for the Board of
- 155 Pharmacy."

156

- 157 Important to the Board but both bills are sitting in committee and have not moved
- 158 forward. If they do not move forward this year these bills will remain active for next
- 159 year.

160

- 161 **HB90** – "An Act relating to occupational licensing fees; relating to an occupational
- 162 investigation surcharge; and providing for an effective date."

163

- 164 This bill is still in the house and has not moved forward. The Division will keep the
- 165 Board updated.

166

- 167 Ms. Chambers asked if the Board had any questions and there were none. The
- 168 Board thanked Ms. Chambers for her time and information provided to the Board.

170 Resulting from executive session the board made the following motions: 171 On a motion duly made by Ms. Gruening, seconded by Mr. Holt and approved 172 173 unanimously, it was 174 175 RESOLVED to accept the Imposition of two five-hundred dollar 176 (\$500) civil fines totaling one thousand dollars (\$1,000) for Wells 177 Pharmacy Case No. 2016-001006. 178 179 On a motion duly made by Ms. Gruening, seconded by Ms. Bell and approved 180 unanimously, it was 181 182 RESOLVED to accept the Imposition of five-hundred dollar (\$500) civil 183 fine for American Specialty Pharmacy Case No. 2016-001037. 184 185 On a motion duly made by Ms. Gruening, seconded Mr. Henderson and 186 approved unanimously, it was 187 188 RESOLVED to accept the voluntary suspension of pharmacist license for 189 Cynthia Aguiar Case No. 2017-000092. 190 191 Investigator Howes reviewed the PDMP Report (August 1, 2016-April 30, 2017). 192 Since that last report registered users increased from 1,629 to 2,181 equating to an 193 increase of 34%. The report also included the number of Opiate Agonists 194 prescriptions for each month from August 2016 through April 2017, and searches 195 made by active users for this same time period. Of the 2,181 users registered 1,327 196 are actively using the PDMP. The number of profile requests within the systems 197 totaled 123,407, 72, 966 pharmacists and 50, 441 prescribers make up that number. 198 199 Two letters will be sent out. The first letter will be from the Governor advising all 200 providers what the requirements will be for July registration. The second letter will 201 be from Dr. Jay Butler who is the Chief Medical Officer for the state reiterating the 202 need to register with more details. 203 204 Investigator Howes had Chair Holm signed the Board actions and the Board thanked 205 him for his time and information provided. 206 207 **Break:** 208 Off the record at 10:59 a.m. 209 Back on the record at 11:13 a.m. 210

to discuss this topic.

Agenda Item 6 - Annual Report 211 The Board reviewed, discussed, and worked on the FY 17 Annual Report. As part of 212 213 the review the Board went over the letter Sara Chambers sent out to all Boards 214 regarding the Annual Report. Ms. Chamber's letter is a reminder to Boards that this 215 report represents the opportunity to reflect on the year's accomplishments and to 216 guide the Board's focus toward upcoming goals and objectives and what report 217 deadline is. 218 219 11:24 a.m. Due to technical difficulties with the new lap tops the Board was using 220 Ms. Bellino left the meeting to get IT to assist with the issues. IT was able to fix the 221 problem and the meeting continued. 222 223 The Board went over all the components of the report and how to proceed. Chair 224 Holm will write the narrative and any updates. Once the draft of the report is 225 completed the Board will meet via teleconference to adopt the report before Ms. 226 Bellino submits it. 227 228 Break for lunch: 229 Off the record at 12:06 p.m. 230 On the record at 1:16 p.m. 231 232 Agenda Item 7 - Tabled Applications 233 234 The Board reviewed additional information requested at the March meeting 235 regarding a technician application. Board member Rich Holt requested more 236 detailed information was satisfied with was submitted and approved the 237 application. 238 239 **Agenda Item 8 - Regulations** 240 241 The Board spent the remainder of the afternoon discussing and reviewing several 242 regulations in need of updates, revision, or clarification. 243 244 When reviewing 12 AAC 02.107 Prescription drug monitoring program 245 **registration.** This regulation establishes fees for registration with the database by 246 a pharmacist who dispenses or a practitioner who prescribes, administers, or 247 directly dispenses a scheduled II, III, or IV controlled substance under the federal 248 law as required under AS 17.30.200. The Board had many questions and requested 249 Ms. Bellino call Investigator Howes to see if he was available to re-join the meeting

DRAFT Alaska Board of Pharmacy Minutes of Meeting May 4-5, 2017 Page 7 of 18

- As requested, at 1:48 p.m. Investigator Howes joined the meeting to answer the
- 252 Board's questions.
- The majority of questions the Board had was pertaining to the amount of fee the
- division came up with, and how the monies collected go back to the PDMP.
- 255 Investigator Howes understood that it is set up that the fees collected from all the
- 256 impacted boards could somehow be credited back. The Board was also concerned
- 257 that by collecting a fee would it jeopardize any current or future grants.
- 258 Investigator Howes advised that fees collected would not impact any grants.

259

- Overall the Board's concerns were that the \$25.00 fee is slightly high. The Board felt that a \$20.00 a year fee should cover expenses. The Board also wanted to know how
- the fee is determined and would be re-evaluated based on the over and above cost
- of the grant, and who is going to determine that and when/how. Is the intent to be
- licensed every two years, and does it need to be more clear as to how this fee is
- 265 attached to a license, and to know that it is a two year fee of \$50.00 or \$40.00 and
- iust by paying the fee does not mean you have been registered to the PDMP by just
- 267 applying for a license. Investigator Howes advised there has been discussion that
- 268 this fee would be linked to license renewal, and can be done in such a way that the
- 200 tins fee would be finked to ficelise reflewal, and can be done in such a way that the
- licensee will have to provide documentation that registration of controlled
- substances has occurred before a license would be renewed.

271272

The Board thanked Investigator Howes for being available to talk this through with the Board.

the Board

274

- The Board continued their review and discussion on the other regulations listed on the agenda. The Board had spirited and deliberative discussions regarding changes to the below listed regulations. All confirmed changes will be read into the record
- when the Board has determined and completed their regulation review.

279280

- <u>Break:</u>
- 281 Off the record at 3:00 p.m.
- Back on the record at 3:19 p.m.

- **Regulations discussed for possible changes:**
- 285 12 AAC 52.130 Registration of Pharmacies Located Outside of the State
- 286 12 AAC 52.200 Pharmacist-in-Charge
- 287 12 AAC 52.210 Review of Pharmacist Intern License Examination

- 290 12 AAC 52. 425 Telepharmacy System for a Remote Pharmacy

DRAFT Alaska Board of Pharmacy Minutes of Meeting May 4-5, 2017 Page 8 of 18

291 Due to the length and complexity of the Board's discussion regarding remote 292 pharmacy and telepharmacy regulations, and changes Mr. Holm is recommending 293 for these two regulations, the Board will continue this discussion on Friday when 294 the board will complete regulation review. 295 296 Adam Chesler, PharmD Director of Regulatory Affairs for CardinalHealth 297 participated in the Board's discussion on remote pharmacy and telepharmacy 298 regulations. At Friday's meeting Mr. Chesler will provide feedback to the board on 299 how other states handled similar changes. 300 301 On a motion duly made by Mr. Holm, seconded by Ms. Gruening and approved 302 unanimously, it was 303 304 RESOLVED to recess the meeting until Friday morning, May 5th at 9:00 305 a.m. 306 307 Off the record at 4:55 p.m. 308 309 **Friday May 5, 2017** 310 311 The meeting was called to order by Leif Holm, Board Chair, at 9:00 a.m. 312 313 Call to Order/Roll Call 314 315 Those present, constituting a quorum of the board, were: 316 317 Leif Holm, Pharm D, North Pole-Chair 318 Rich Holt, Pharm D, Wasilla – Vice Chair 319 Anne Gruening Public Member, Juneau – Secretary 320 Phil Sanders RPh, Soldotna 321 James Henderson, RPh, Soldotna 322 Lana Bell, RPh, Anchorage 323 324 In attendance from the Division of Corporations, Business & Professional 325 Licensing, Department of Commerce, Community and Economic 326 Development were: 327 328 329 330 331

39	Agenda Item 1 Review Agenda –
40 41	The Board reviewed the agenda for Friday, May 5, 2017.
42 43 44 45	On a motion duly made by Ms. Bell, seconded by Ms. Gruening and approved unanimously, it was
46	RESOLVED to approve the agenda as is for Friday May 5th.
47 48 49	AGENDA ITEM 1 - Public Comment -
50 51 52	Chair Holm called for public comment at 9:05 a.m. No callers, nor anyone present for public comment.
53	Agenda Item 2 - MPJE Item Workshop Recap
54 55 56 57	Mr. Holt provided a brief recap to the Board from the MPJE Item Workshop he and Ms. Bellino attended in March.
57 58 59 60 61 62 63 64 65 66	Mr. Holt thought it was extremely helpful to have a second person attend to work with. Mr. Holt was the only Board member to attend last year, and it is more difficult to achieve the goals of the MPJE Item Workshop with one person attending and recommends that two people always attend. Mr. Holt also recommended that the Board does not attempt this remotely which is an option and has the Board has done in the past. NABP strongly recommends at least two people from each state board attend this yearly workshop and provides a \$1,500.00 travel grant for each member to attend.
67 68 69 70 71	Mr. Holt discussed with NABP that the Board has nine regulations that are about to be signed off by the Lt. Governor and in thirty days of signature will go into effect. Mr. Holt wanted to know from NABP how to pull those questions that are on the exam that are related to the regulation changes. NABP advised they can quickly pull questions based on category or key word search and send it to the Board. A Board member or members would have to go through them and determine if the question

DRAFT Alaska Board of Pharmacy Minutes of Meeting May 4-5, 2017 Page 10 of 18

373 is still applicable or not based on the regulation changes. If not, the question can be 374 pulled from the exam so that questions no longer applicable to state regulations 375 remain on the exam. There is a pool of 2,000 questions for the Alaska MPJE exam. 376 With all the changes to the regulations that the Board has is continuing to work on, 377 Mr. Holt suggested that the Board start reviewing all the questions in the pool to 378 ensure they are up to date and accurate. The questions that are no longer up to date 379 can be pulled from the exam quickly. Mr. Holt advised that there are other states 380 that devote time at each meeting to into executive session to review exam questions. 381 The Board could choose a category of questions to review and have NABP pull them 382 for the Board to go over and determine what questions are no longer pertinent.

383 384

385

386

387

388

The Board is in agreement that this should be incorporated into future BOP meetings. Ms. Bellino stated she was very thankful for the experience to attend and what an eye opener it was regarding the importance of language chosen when writing regulations and how that works back to writing regulation questions. Mr. Holt will reach out to NABP to get started with reviewing the pool of exam questions at future BOP meetings.

Agenda Item 3 - New/Old Business

392 393

394

The Board reviewed the August and November Board of Pharmacy dates previously chosen and also had to determine the meeting format. The Board's decision is to travel and meet in person in Anchorage for both meetings.

395 396 397

August 10th & 11th meet in Anchorage November 30th & December 1st meet in Anchorage

398 399 400

The Board will determine the next round of meeting dates at the August meeting instead of waiting until the November meeting to do it.

401 402 403

404

Ms. Bellino advised the Board that since SB74 regulations were not ready to review/adopt for this meeting that a teleconference will be scheduled when the regulations are ready for board review.

405 406

407 Ms. Bell has been approved for out-of-state travel to attend NABP's 113th Annual 408 Meeting being held May 20-23 in Orlando, Florida. Ms. Bell will provide a recap to the Board at the August meeting.

- 411 The Project Tracking Spreadsheet included with the meeting information has been 412 updated. Ms. Bellino will add the regulations determined to be amended at this
- 413 meeting.

decision or conviction.

The Board continued their spirited and deliberative discussion on **12 AAC 52.423 Remote Pharmacy License and 12 AAC 52.425 Telepharmacy System for a Remote Pharmacy.** Resulting from the Board's discussion on these regulations more work is needed and changes identified will be added to the regulations for the Board to review at the next BOP meeting or at the teleconference that will be scheduled to review/adopt SB 74 regulations.

The Board decided to work past the noon end time to have a chance to review and discuss possible changes regarding pharmacy technicians. The Board requested a short break.

Break:

- 674 Off the record at 11:50 a.m.
- Back on the record at 12:12 p.m.

The Board spent the remainder of the meeting discussing pharmacy technicians and the best way to proceed given how the role of the technician is rapidly changing in the pharmacy profession.

The Board looked at the current licensing requirements and the impact of possibly adding a "nationally certified" technician category. There are pro's and con's to establishing a "type" of technician license from how it currently is which only has the one category for a Pharmacy Technician.
